Purchases made at other merchants qualify for basic rewards points only.
- 18 Recurring bill payments are payments made monthly or regularly that are automatically debited by the merchant from your National Bank World Elite Mastercard. Not all merchants offer recurring payments, and not all recurring payments are considered recurring bill payments. Therefore, some payments may not qualify for accelerated rewards points.
- 19 To earn 2 points per dollar spent, you must pay for your eligible purchases through the À la carte Travel Agency section of our À la carte™ Rewards website.
- 20 For example, if you spend \$400 per month on groceries, \$200 on gas, \$100 on recurring bills and \$150 on other purchases, the \$850 spent will earn you 2,750 points, broken down as follows: 2,000 points for grocery spending (since the total gross monthly amount is \$850, which is less than \$2,500), 400 points for gas expenses, 200 points for recurring bills and 150 points for other purchases.
- 21 Presentation of a physical credit card and boarding pass is required to access the lounge. The National Bank Lounge is accessible to cardholders traveling on international flights only (excluding flights to Canada and the United States). Time spent in the lounge cannot exceed three (3) hours.
- 22 This coverage applies to purchases and rentals made using the card, except out-of-province emergency medical care insurance for which it is not necessary to charge the travel arrangements to the card.
